Author contributions (CRediT)

Quang-Vinh Dang: Conceptualization, Methodology, Software, Validation, Formal analysis, Investigation, Data curation, Writing — original draft, Writing — review & editing, Visualization, Supervision, Project administration.

Funding

This research did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors.

Data availability

All code, the annotated gold set, and the scripts that regenerate every table and figure are publicly available at <https://github.com/vinhqdang/vulmorph-fed>. The study uses only publicly available corpora (BigVul, DiverseVul, PrimeVul, Devign), accessed through the public mirrors identified in the manuscript.

Declaration of competing interest

The authors declare that they have no known competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.
